Westwood Parish Council

Westwood Park Survey - Results - August 2026

186 survey responses received (approx. 30% of households in Westwood)

It is proposed to progress with quick win, low-cost proposals which gained strong community support (80% plus). There will be further consultation on proposals with 60-80% with only a small number of larger projects carried forward over the next 5 years where a clear benefit and funding can be demonstrated.
